February 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for the Lake Linden-Hubbell Public Schools (K-12). The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact me for assistance.

The AER is available for you to review below this letter, or you may review a copy in the main office at your child's school.

These reports contain the following information:

Student Assessment Data

- Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT
- Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students.

School Accountability Data

- Includes information on schools' performance on various measures such as student proficiency and growth on state assessments, graduation, and attendance rates. Performance is measured on 0-100 index scales
- Reports schools identified under three federally required categories for further support: Comprehensive Support and Improvement, Targeted Support and Improvement, and Additional Targeted Support

Educator Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was not identified with any of these labels.

State law requires that we also report additional information. New students enrolling at Lake Linden-Hubbell are asked to register with the office immediately. Parents must present a state-birth certificate, immunization verification, and proof of residency upon enrollment. Students attending grades PreK-5 will be in the elementary building, those attending grades 6-12 will be assigned to the high school building.

Specialized programs are available to our high school students through the Copper Country ISD CTE program. They include courses in nursing, health careers, welding, auto mechanics, cybersecurity, and mechatronics. Also, efforts are made to match students with classes that meet their intellectual, social, or personal needs.

Lake Linden-Hubbell Schools offer parent/teacher conferences twice a year. Attendance results for the 2022/2023 and 2023/2024 school years are listed.

Elementary Building

2022 (Fall) 88% 2023 (Spring) 81%

2023 (Fall) 86% 2024 (Spring) 85%

High School Building (MS/HS)

2022 (Fall) 35% 2023 (Spring) 19%

2023 (Fall) 45% 2024 (Spring) 31%

High Schools are also required to report the following information:

- Number and percent of post-secondary enrollments: 2022/2023- 13 (11.2%) 2023/2024 – 29 (26.6%)
- Number of college equivalent courses: There were 45 college courses taken during the 2022/2023 school year and there were 109 college courses taken during the 2023/2024 school year.
- Number and percentage of students receiving a score leading to college credit: In 2022/2023, all 13 students passed all their combined 45 courses resulting in college credit. In 2023/2024, 28 students passed 105 of the 109 courses they took resulting in college credit.

We are very proud of the accomplishments of our students and our entire staff and the support that we receive from our community. We are constantly reviewing our students' progress and look to make the necessary changes as needed to help all students succeed.

Sincerely,

Brad Codere – Superintendent/6-12 Principal
